

Ordering America250 Flags

To simplify the purchase of America250 Flags, as well as take advantage of quantity pricing, we worked with Flags Unlimited to make custom double-sided flags and have beneficial pricing, easy ordering and processing, and a special on-line ordering link.

Most America250 Flags are marketed as single-sided - meaning the 'America250' on the opposite side of the flag is 'backwards;' double-sided correctly shows the America250 design on both sides.

Because this program focuses on adding the America250 Flags to Color/Honor Guard presentations and flying them up flagpoles, two flag formats (with two background color choices) are available under this ordering process (in addition to some bulk hand-out stick flags). (All flags are Made in America.)

- 3'x5' Flag, Double Sided, Pole Sleeve, Gold Trim, White Background (\$199.95 + shipping)
- 3'x5' Flag, Double Sided, Pole Sleeve, Gold Trim, Blue Background (\$199.95 + shipping)
- 3'x5' Flag, Double Sided, Grommets, No Trim, Indoor/Outdoor Use, White (\$119.95 + shipping)
- 3'x5' Flag, Double Sided, Grommets, No Trim, Indoor/Outdoor Use, Blue (\$119.95 + shipping)
- 4"x6" Stick Flags, Blue Background, (not double sided) (12 pack \$34.95 + shipping)

(The America250 Flags with Pole Sleeves (a fabric tunnel that the pole slides into) and Gold Trim are typical for Color/Honor Guard Presentations; Flags with Grommets (metal circular reinforcing rings) are designed to easily attach to standard flag pole clips; they may also be used in Color/Honor Guards Presentations by adding clips to the poles.)

Hawai'i America250 does not take a 'cut' in this process – we arranged this simple/discounted special ordering process so we can get as many America250 Flags in Color/Honor Guard Presentations and flying up flagpoles as possible.

Most of us don't have funds budgeted for programs like this. You may order on your own or seek donations.

Another viable/recommended alternative is to direct your donors to the online ordering to have them purchase the flags for their respective ROTC/JROTC units. A benefit of this approach is that it assures the donor that their money is going to something of need, and it keeps us out of ordering, receiving, storage, and distribution.

Ordering is not limited/restricted to State/Territory America250 Commissions; individuals may use this ordering link to purchase these America250 Flags for their own use.
